Ruskin Elementary School

A California Distinguished School

Parent Participation Form 2008-09

One quality indicator of successful elementary schools is the degree to which parents are actively involved in the school programs. We know it is difficult for some parents to attend monthly meetings or volunteer on a regular basis. We also know that some parents would like to help on one or two special events.

This sheet is designed to give parents the opportunity to sign up to help us on a regular, part-time or one-time basis. Please look over the sheet and mark one or more of the boxes in areas which you would be willing to volunteer some of your time. You can find more detailed information on committees on our website: [http://www.berryessa.k12.ca.us/ruskin/site].When we need your help we can give you a call. **Please turn this form in to your child's teacher or Ruskin office. Thank you!**
