*A Blue Ribbon and California Distinguished School*

## Parent Participation Form 2013-2014

One quality indicator of successful elementary schools is the degree to which parents are actively involved in the school programs. This sign-up sheet is designed to show parents activities that we need volunteers to help with in order to provide the most enriching experience for our children. Please review the sheet and mark one or more of the boxes in areas which you would be willing to volunteer.

**Please turn this form in to your child's teacher or Ruskin's office ASAP**
