Turlock Ln

Danby Ave

This is the recommended traffic flow for all parents wishing to pick-up or drop-off their children by car at Ruskin. If your child is not ready when you arrive at the pick-up area you must continue around the block via Danby Ave. This traffic pattern is the recommendation of both the Ruskin Traffic Safety Committee and the San Jose Police Department.

Please use the crosswalks when crossing the street. It is for your safety and to help speed the flow of traffic around Ruskin.
